

# Human Factors at the FAA

Presented by:

**Michelle Yeh**  
NextGen Human Factors Division (ANG-C1)  
March 12, 2013

---

---

---

---

---

---

---

---

## Topics

- **Agency Overview**
  - Who is who at the FAA
  - How/where does human factors fit in?
- **Human Factors Research**
  - Cross cutting, multi-modal HF issues in transportation
  - Fatigue
  - Aging
  - System Design
  - Human System Integration
  - Human Error

---

---

---

---

---

---

---

---

## Federal Aviation Administration

- **Who is who at the FAA?**
  - Approximately 50,000 employees
  - Approximately 45,000 employees in "Air Traffic"
  - Approximately 5,000 employees on the "Aircraft" side

### Where/how does human factors fit in?

- Human Factors Division
- Individual lines of business within the FAA

---

---

---

---

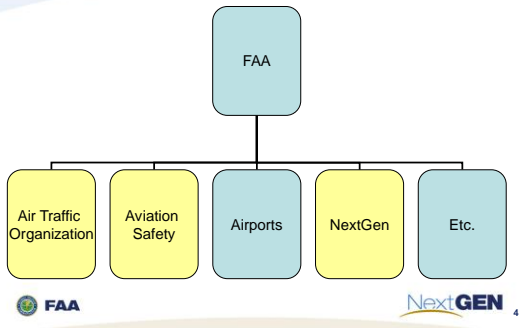

---

---

---

---

## FAA Organization

---

---

---

---

---

---

---

---

---

---

## FAA Approval Process

---

---

---

---

---

---

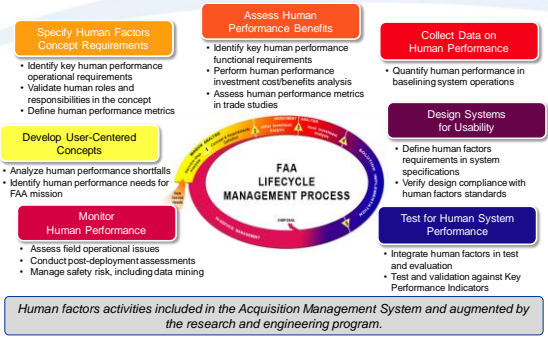

---

---

---

---

## Human Factors in Acquisition Engineering

---

---

---

---

---

---

---

---

---

---

## Cross Cutting, Multi-Modal Research

### Outcomes/Products:

- Regulatory & guidance material

- HF requirements for acquisitions

- Training material

### Common HF Themes:

- Integration
- Usability
- Interface
- Color
- Symbolology
- Displays
- Knobs/buttons
- Labels

---

---

---

---

---

---

---

---

---

---

## Cross Cutting, Multi-Modal Research

### – Fatigue

- Air Traffic Controllers
- Aircraft Mechanics
- Pilots
- Flight Attendants

### – Aging

- Air Traffic Controllers
- Pilots
- Flight Attendants

---

---

---

---

---

---

---

---

---

---

## Cross Cutting, Multi-Modal Research

### – System Design

### – Human System Integration

---

---

---

---

---

---

---

---

---

---

## Human Error

"No! No! That's Self-Destruct! Set Distance is the one on the left."

---

---

---

---

---

---

---

---

---

---

## Workload

---

---

---

---

---

---

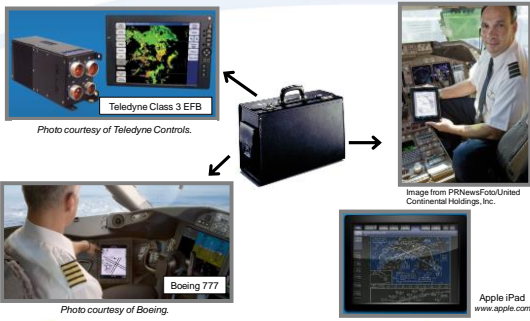

---

---

---

---

## Electronic Flight Bag (EFB) Research

---

---

---

---

---

---

---

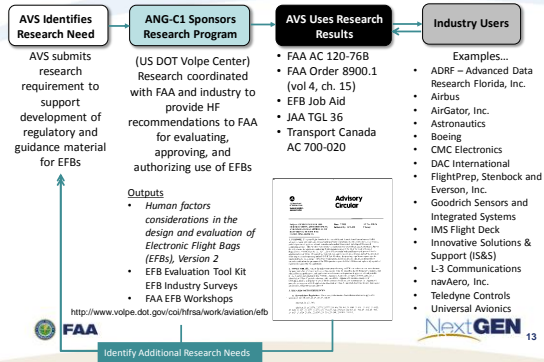

---

---

---

# EFB: From Research to Reality

---

---

---

---

---

---
