An Insider's Guide to NRC Public Meetings

Lance Rakovan
Senior Communications Specialist
US Nuclear Regulatory Commission

2014 NRC Regulatory Information Conference

United States Nuclear Regulatory Commission
Protecting People and the Environment

United States Nuclear Regulatory Commission
Protecting People and the Environment

Objectives

- Discuss some of the challenges the NRC and the public face when meeting
- Share tips for getting the most out of NRC public meetings

Challenges

- Public speaking is difficult
- NRC staff sometimes not completely addressing questions or topics
- Time limits
- Being able to follow what is going on

Challenges

- How non-NRC parties choose to participate
- No refreshments
- Keeping meetings safe

Getting the most out of NRC public meetings

- Contact NRC staff before a meeting
- Take advantage of NRC staff before and after a meeting
- Read and understand the details of the meeting before you attend

Getting the most out of NRC public meetings

- Understand the NRC's three categories of public meetings
- Sign up for our public schedule Twitter feed
- Leave us honest feedback and use our on-line feedback system

Working Together

- Public meetings take effort from all involved
- Public meetings are just one way to interact with NRC staff
- We are always trying to improve
