

U.S. NRC **RIC** 2016  
Protecting People and the Environment

### NRC SE15 Lessons Learned

Strengths –

- 1<sup>st</sup> NRC multi-day exercise
- 1<sup>st</sup> NRC coordination with an interagency JIC and UCG
- 1<sup>st</sup> consideration of Price-Anderson Act requirements in an exercise
- Successful liaison with deployed FRMAC

### Areas for Improvement

- Post-event activities/responsibilities under the Price-Anderson Act
- Roles, responsibilities, and designation of NRC representative to UCG
- Transition of Federal coordination role
- Communications with both affected and unaffected States
