Navigation to the NRC Performance Dashboard

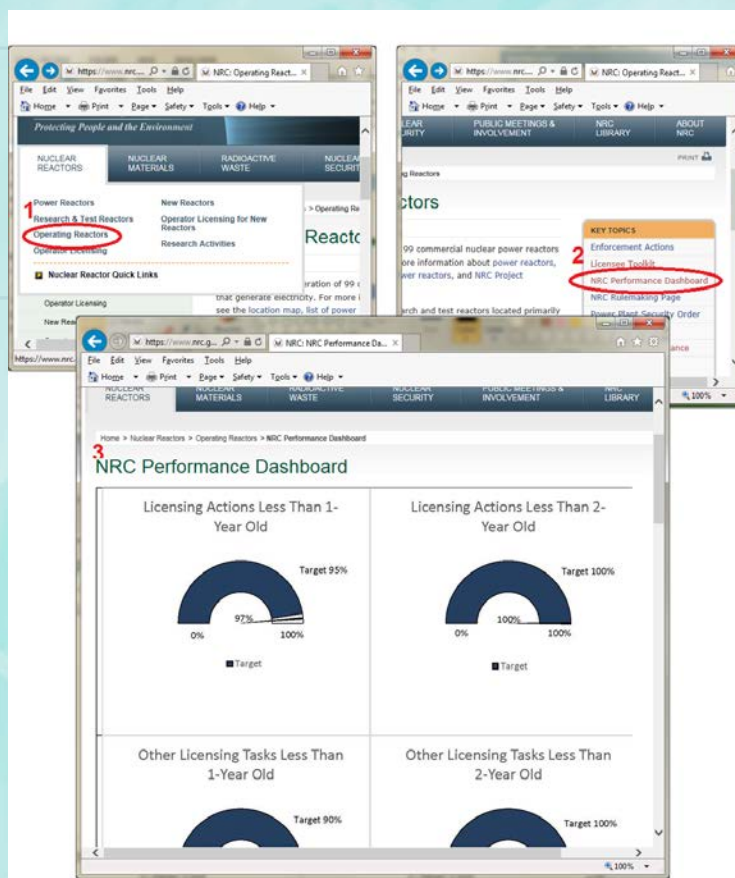

First, open a web browser and enter the address to the NRC's Web Site:

www.nrc.gov

Then, select Nuclear Reactors → Operating Reactors from the menu bar on the Web page.

Next, click the link under Key Topics for the NRC Performance Dashboard.

Finally, scroll down to view the desired metric information.

The image displays three sequential screenshots of the NRC website navigation process:

- Screenshot 1:** The 'Operating Reactors' link in the 'Power Reactors' section of the menu bar is circled in red and labeled with a '1'.
- Screenshot 2:** The 'NRC Performance Dashboard' link under the 'KEY TOPICS' section is circled in red and labeled with a '2'.
- Screenshot 3:** The 'NRC Performance Dashboard' page is shown, featuring four donut charts with the following data:
 - Licensing Actions Less Than 1-Year Old:** 92% completion, Target 95%.
 - Licensing Actions Less Than 2-Year Old:** 100% completion, Target 100%.
 - Other Licensing Tasks Less Than 1-Year Old:** (Percentage not fully visible), Target 90%.
 - Other Licensing Tasks Less Than 2-Year Old:** (Percentage not fully visible), Target 100%.
