The Reactor Oversight Process at 20: A Look Forward

Technical Session T4
March 10, 2020

Daniel Dorman,
Deputy Executive Director for Reactor and
Preparedness Programs

The logo for RIC 2020, featuring the letters 'RIC' in a stylized blue font with '2020' in a smaller white font to its right.The U.S. Nuclear Regulatory Commission logo, featuring the text 'U.S. NRC' in a blue font, with 'United States Nuclear Regulatory Commission' and 'Protecting People and the Environment' in smaller text below it. The hashtag '#NRCRIC2020' is also present.

Discussion Topics

A panel discussion focusing on how the Reactor Oversight Process (ROP) was developed and implemented, how it has evolved over the years, and where we see it further developing as the agency strives to be a more modern, risk-informed regulator.
