WELCOME
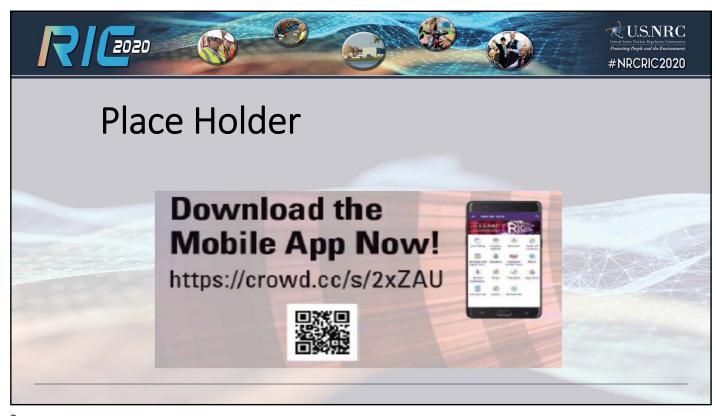

- For safety and security reasons, personal belongings such as tote bags, backpacks, etc. are not permitted.
  to be placed around the perimeter of the session room.

- Be mindful of your exits. In the event of a hotel emergency (such as fire, evacuation, etc.), the hotel staff will advise how to proceed. In the event of a safety/security emergency, NRC Security or Montgomery County Police will advise how to proceed. In the event of a medical health emergency, call 911 or contact an NRC or hotel staff member to contact emergency services for you.

- Kindly silence your electronic devices while the session is in progress.

- If you need to leave the room during the session, please leave quietly. At the end of the session, please exit the session room promptly so that the room can be prepared for the next session.

- All sessions are being recorded. Recordings will be available on the RIC website after the conference.

NRC RIC is introducing live polling!
The Wi-Fi code for Internet access is RIC2020.

- We want to hear from you during RIC Opening Session and TH32 Technical Session. To access the live polls:

1. Download the NRC RIC conference app from your Apple or Google Play stores or at https://crowd.cc/s/2xZAU, keyword search: NRC RIC.
2. Once the app is installed, go to the main screen and click on "Live Polling."
2. Select the appropriate session from the list.
3. You will see the poll questions. Click on each one to answer them.

We look forward to your responses!
