**\*\*--Status is not a final determination by NRC.**

1

**Issued/Waiting for Response** - The question has been issued to the applicant and the NRC is waiting for a response from the applicant. This can be for a new RAI question or for a follow-up question

**In Evaluation** - The applicant has provided a response to the question and it is in evaluation by the NRC.

**Confirmatory Action** - The applicant has responded to the question. The NRC has reviewed and agrees with the response and the proposed markups, but some action is needed as part of the response is not complete (e.g., FSAR change has not been formally submitted).

**Resolved - Closed** - The NRC has accepted the response and no additional issues or concerns are remaining for that question.

**Unresolved - Closed** - The applicant has provided a response to the question, but the response did not adequately resolve the issue and the staff has issued a follow-up question.

**Issued/Waiting for Response** - The question has been issued to the applicant and the NRC is waiting for a response from the applicant. This can be for a new RAI question or for a follow-up question

**In Evaluation** - The applicant has provided a response to the question and it is in evaluation by the NRC.

**Confirmatory Action** - The applicant has responded to the question. The NRC has reviewed and agrees with the response and the proposed markups, but some action is needed as part of the response is not complete (e.g., FSAR change has not been formally submitted).

**Resolved – Closed** - The NRC has accepted the response and no additional issues or concerns are remaining for that question.

**Unresolved – Closed** - The applicant has provided a response to the question, but the response did not adequately resolve the issue and the staff has issued a follow-up question.

**Issued/Waiting for Response** - The question has been issued to the applicant and the NRC is waiting for a response from the applicant. This can be for a new RAI question or for a follow-up question

**In Evaluation** - The applicant has provided a response to the question and it is in evaluation by the NRC.

**Confirmatory Action** - The applicant has responded to the question. The NRC has reviewed and agrees with the response and the proposed markups, but some action is needed as part of the response is not complete (e.g., FSAR change has not been formally submitted).

**Resolved - Closed** - The NRC has accepted the response and no additional issues or concerns are remaining for that question.

**Unresolved - Closed** - The applicant has provided a response to the question, but the response did not adequately resolve the issue and the staff has issued a follow-up question.

**Issued/Waiting for Response** - The question has been issued to the applicant and the NRC is waiting for a response from the applicant. This can be for a new RAI question or for a follow-up question

**In Evaluation** - The applicant has provided a response to the question and it is in evaluation by the NRC.

**Confirmatory Action** - The applicant has responded to the question. The NRC has reviewed and agrees with the response and the proposed markups, but some action is needed as part of the response is not complete (e.g., FSAR change has not been formally submitted).

**Resolved - Closed** - The NRC has accepted the response and no additional issues or concerns are remaining for that question.

**Unresolved - Closed** - The applicant has provided a response to the question, but the response did not adequately resolve the issue and the staff has issued a follow-up question.

**Issued/Waiting for Response** - The question has been issued to the applicant and the NRC is waiting for a response from the applicant. This can be for a new RAI question or for a follow-up question

**In Evaluation** - The applicant has provided a response to the question and it is in evaluation by the NRC.

**Confirmatory Action** - The applicant has responded to the question. The NRC has reviewed and agrees with the response and the proposed markups, but some action is needed as part of the response is not complete (e.g., FSAR change has not been formally submitted).

**Resolved - Closed** - The NRC has accepted the response and no additional issues or concerns are remaining for that question.

**Unresolved - Closed** - The applicant has provided a response to the question, but the response did not adequately resolve the issue and the staff has issued a follow-up question.

**Issued/Waiting for Response** - The question has been issued to the applicant and the NRC is waiting for a response from the applicant. This can be for a new RAI question or for a follow-up question

**In Evaluation** - The applicant has provided a response to the question and it is in evaluation by the NRC.

**Confirmatory Action** - The applicant has responded to the question. The NRC has reviewed and agrees with the response and the proposed markups, but some action is needed as part of the response is not complete (e.g., FSAR change has not been formally submitted).

**Resolved - Closed** - The NRC has accepted the response and no additional issues or concerns are remaining for that question.

**Unresolved - Closed** - The applicant has provided a response to the question, but the response did not adequately resolve the issue and the staff has issued a follow-up question.

**Issued/Waiting for Response** - The question has been issued to the applicant and the NRC is waiting for a response from the applicant. This can be for a new RAI question or for a follow-up question

**In Evaluation** - The applicant has provided a response to the question and it is in evaluation by the NRC.

**Confirmatory Action** - The applicant has responded to the question. The NRC has reviewed and agrees with the response and the proposed markups, but some action is needed as part of the response is not complete (e.g., FSAR change has not been formally submitted).

**Resolved - Closed** - The NRC has accepted the response and no additional issues or concerns are remaining for that question.

**Unresolved - Closed** - The applicant has provided a response to the question, but the response did not adequately resolve the issue and the staff has issued a follow-up question.

**Issued/Waiting for Response** - The question has been issued to the applicant and the NRC is waiting for a response from the applicant. This can be for a new RAI question or for a follow-up question  
**In Evaluation** - The applicant has provided a response to the question and it is in evaluation by the NRC.  
**Confirmatory Action** - The applicant has responded to the question. The NRC has reviewed and agrees with the response and the proposed markups, but some action is needed as part of the response is not complete (e.g., FSAR change has not been formally submitted).  
**Resolved - Closed** - The NRC has accepted the response and no additional issues or concerns are remaining for that question.  
**Unresolved - Closed** - The applicant has provided a response to the question, but the response did not adequately resolve the issue and the staff has issued a follow-up question.
