3/4/2013 **--Status is not a final determination by NRC.

Waiting for Official Response -- The question has been issued to the applicant and the NRC is waiting for a response from the applicant.
In Evaluation -- The applicant has provided a response to the question. The NRC has not completed review of the response.
Response Evaluation -- The applicant has provided a response to the question. The NRC has not completed review of the response.
Confirmatory Action Applicant -- The applicant has responded to the question. The NRC has reviewed and agrees with the response but some action included as part of the response is not complete (e.g., FSAR change is not formally submitted).
Confirmatory Action NRC -- The response to the question is acceptable but the NRC wants to verify/confirm that the application contains the information to close the issue. This is NRC staff's activity and no additional information is required from the applicant.
Resolved - Closed -- The NRC has accepted the response and no additional issues or concerns are remaining for that question.
Unresolved - Closed -- Question Closed means that the question can be closed if it is related to a similar question or superseded by another question. Issue unresolved means that the issue within the question is not resolved and may become an open item in the SER.
Closed - Open Item -- Closed means that the question can be closed if it is related to a similar question or superseded by another question. Open Item means that the issue within the question is not resolved and becomes an open item in the SER.
