Commissioner Comments on SECY-99-181

CHAIRMAN DICUS

I approve the staff's plans in SECY-99-181 for Comments 1 through 6. I disapprove of the staff's proposed action in regard to Comments 7 and 8. As a result, staff should proceed with the conforming changes to 10 CFR Part 72 (Section [72.75](#)) and Part 73 (Section [73.71](#)) along with the rulemaking to change 50.72 and 50.73. However, if the staff views these conforming changes are not necessary, the staff should advise the Commission within 60 days.
