On April 14, 2014, the NRC published a correcting amendment in the *Federal Register* ([79 FR 20753](#)) correcting a direct final rule published in the *Federal Register* on December 6, 2013 ([78 FR 3379](#)). On April 14, 2014, the NRC published a proposed rule in the *Federal Register* ([79 FR 21036](#)) proposing to amend the licensing, inspection, and annual fees charged to its applicants and licensees. The proposed amendments are necessary to implement the Omnibus Budget Reconciliation Act of 1990, as amended, which requires the NRC to recover through fees approximately 90 percent of its budget authority in fiscal year 2014, not including amounts appropriated for Waste Incidental to Reprocessing and amounts appropriated for generic homeland security activities. These fees represent the cost of NRC services provided to applicants and licensees. Comments on the proposed rule are due by May 14, 2014.
