MEMORANDUM L. Joseph Callan Executive Director for Operations

TO:

FROM: John C. Hoyle /s/

SUBJECT: Staff Requirements: SECY-98-042 - Amendment to SECY 97-288, "Report to Congress on Abnormal Occurrences for Fiscal Year 1997"

The Commission did not object to the contents of the proposed revised Fiscal Year 1997 Abnormal Occurrence Report to Congress and the revised letters to Congress. The staff should therefore forward the revised letters to Congress for the Chairman's signature.

(EDO)

(SECY Suspense: 5/8/98)

In light of the error in identification of an incident in the earlier version of the report and the possibility that it may have been due in part to a lack of common understanding by the staff of the interpretation of abnormal occurrence criterion IV(a)(1) for misadministrations, the Commission requested that the staff's interpretation of criterion for misadministrations, as contained in SECY-98-042, be disseminated to the appropriate staff in Headquarters, the Regions, and the Agreement States.
