MEMORANDUM TO: William D. Travers
Executive Director for Operations
Karen D. Cyr
General Counsel

FROM: Annette L. Vietti-Cook, Secretary /s/

SUBJECT: STAFF REQUIREMENTS - SECY-99-170 - SUMMARY OF DECOMMISSIONING FUND STATUS REPORTS

The Commission has approved the staff's recommendation to develop a rulemaking plan for decommissioning trust provisions as described in [SECY-99-170](#). The Commission commends the staff for their thorough, timely, and disciplined review of the Three Mile Island Unit 1 and Pilgrim nuclear power station license transfers. In preparing the rulemaking plan, the staff should strive to develop a regulatory structure and accompanying language that will enhance the regulatory predictability and stability of license transfers.

(EDO)

(SECY Suspense 10/15/99)

The staff should draft legislative text and explanatory material that would make explicit our authority over a former licensee that retains control over decommissioning funds after a license transfer.
