MEMORANDUM TO: Luis A. Reyes
Executive Director for Operations

Karen D. Cyr
General Counsel

FROM: Annette L. Vietti-Cook, Secretary **/RA/**

SUBJECT: STAFF REQUIREMENTS - SECY-05-0170 - Proposed Agreement
Between the State of Minnesota and the Commission Pursuant to
Section 274 of the Atomic Energy Act of 1954, as Amended

The Commission has approved the staff's recommendation to proceed with processing the State of Minnesota agreement application pursuant to Section 274(b) of the Atomic Energy Act of 1954, as amended.

It is anticipated that NRC will be issuing orders to certain Minnesota licensees on increasing control of sources prior to Minnesota becoming an Agreement State. The staff should confirm the ability and willingness of Minnesota to inspect and enforce the requirements that implement these additional controls prior to finalizing this Agreement.

The General Counsel should prepare an options paper for the Commission's consideration on possible approaches to the handling of preemption issues, including the resource implications for the implementation of any new agency policy.
