MEMORANDUM TO: L. Joseph Callan
Executive Director for Operations

FROM: John C. Hoyle, Secretary /s/

SUBJECT: STAFF REQUIREMENTS - MEETING WITH NORTHEAST NUCLEAR ON MILLSTONE, (SECY-97-283), 9:00 A.M., FRIDAY, DECEMBER 12, 1997, COMMISSIONERS' CONFERENCE ROOM, ONE WHITE FLINT NORTH, ROCKVILLE, MARYLAND (OPEN TO PUBLIC ATTENDANCE)

The Commission was briefed by the licensee, the contractors for the independent corrective action verification programs (ICAVP) for units 2 and 3, the independent contractor performing third party oversight of the employee concerns program, and the NRC staff on the progress in assessing readiness for restart of the nuclear power reactors at the Millstone site.

The Commission agreed with the staff's recommendation to submit monthly reports to keep the Commission apprised of the licensee's progress in preparing to restart the Millstone units. The next Commission briefing should be planned for the mid-February time frame.
