1. Section 201 of the Energy Reorganization Act, 42 U.S.C. Section 5841, provides that action of the Commission shall be determined by a "majority vote of the members present." Commissioners Dicus and Diaz were not present when this item was affirmed. Accordingly the formal vote of the Commission was 3-0 in favor of the decision. Commissioners Dicus and Diaz, however, had previously indicated that they would approve this paper and had they been present they would have affirmed their prior vote.
