[1:30 p.m.]

CHAIRMAN JACKSON: Good afternoon ladies and gentlemen. This is an affirmation session. We have one item to come before us this afternoon.

Before I ask the Secretary to lead us through the item for affirmation, do any of my fellow commissioners have any opening comments they would like to make?

[No response.]

CHAIRMAN JACKSON: If not, then Mr. Secretary, please proceed.

MR. HOYLE: Thank you, Chairman. The paper is Secy-96-235. In this paper, the Commission is being asked to act on petitions requesting Commission

review of the Decision recently issued by the Director of the Office of Nuclear Materials Safety and Safeguards on the certification of gaseous diffusion plants. The Director's Decision was issued on September 19th and it dealt with continued operation by the U.S. Enrichment Corporation of the Diffusion Plants at Paducah, Kentucky and Piketon, Ohio. The Chairman and Commissioners Rogers, Diaz and McGaffigan have approved the Memorandum and Order which rejects one late filed petition, denies the two requests for reconsideration of two previously rejected petitions, and addresses the remaining contentions raised in the valid petitions. The Memorandum and

Order denies all remaining contentions in the petitions. I note that Commissioner Dicus does not participate in this matter. I ask you to affirm your votes.

CHAIRMAN JACKSON: Aye.

COMMISSIONER DIAZ: Aye.

COMMISSIONER ROGERS: Aye.

COMMISSIONER DICUS: Aye.

COMMISSIONER McGAFFIGAN: Aye.

MR. HOYLE: Thank you.

CHAIRMAN JACKSON: Is there anything else to come before us this afternoon?

CHAIRMAN JACKSON: If not, we're adjourned.

[Whereupon, at 1:35 p.m., the affirmation was adjourned.]
