3 CHAIRMAN MESERVE: Good morning. We have one  
4 affirmation matter to handle first. Madam Secretary, would  
5 you proceed?

6 SECRETARY VIETTI-COOK: The Commission is being  
7 asked to act on a memorandum and order related to a license  
8 amendment application filed by Carolina Power & Light to  
9 increase the spent fuel storage capacity at its Shearon  
10 Harris Nuclear Power Plant.

11 Orange County has filed a petition with the  
12 Commission for interlocutory review of Atomic Safety and  
13 Licensing Board issuance LPB0012. The Commission has voted  
14 to approve a memorandum and order which dismisses, without  
15 prejudice, Orange County's petition for review on the ground  
16 that it was prematurely filed.

17 Please affirm your votes.

18 [Chorus of ayes.]

19 SECRETARY VIETTI-COOK: That's all I have.

20 CHAIRMAN MESERVE: Thank you, Madam Secretary.

21 [Whereupon, at 9:30 a.m., the affirmation session  
22 was concluded.]
