DISCLAIMER

This is an unofficial transcript of a meeting of the United States Nuclear Regulatory Commission on March 12, 2001 in the Commission's office at One White Flint North, Rockville, Maryland. The meeting was open to public attendance and observation. This transcript has not been reviewed, corrected or edited, and it may contain inaccuracies.

The transcript is intended solely for general information purposes. As provided by 10 CFR 9.103, it is not part of the formal or informal record of decision of the matters discussed. Expressions of opinion in this transcript do not necessarily reflect final determination or beliefs. No pleading or other paper may be filed with the Commission in any proceeding as the result of, or addressed to, any statement or argument contained herein, except as the Commission may authorize.

[1:25 p.m.]

PROCEEDINGS

CHAIRMAN MESERVE: Good afternoon. This is an affirmation session and I believe we have one item before us. Madam Secretary, you may proceed.

MS. VIETTI-COOK: The Commission is being asked to act on a Memorandum and Order responding to the State of Utah's request to review a Licensing Board's partial initial decision on Contention Utah R, Emergency Plan. The Commission has voted to approve a Memorandum and Order which denies the petition for review. The Commission has also agreed with Utah, that the time for raising emergency preparedness planning issues relating to a proposed intermodal transfer point (ITP) would properly be when all issues relating to the ITP are under review. Would you please affirm your votes?

COMMISSIONER MESERVE: Aye.
COMMISSIONER DICUS: Aye.
COMMISSIONER DIAZ: Aye.
COMMISSIONER MCGAFFIGAN: Aye.
COMMISSIONER MERRIFIELD: Aye.
MS. VIETTI-COOK: That's all I have.

CHAIRMAN MESERVE: Very good. Thank you very much. We're adjourned.
