P R O C E E D I N G S

CHAIRMAN KLEIN: Madam Secretary, I think we have an Affirmation today? Would you proceed?

MS. VIETTI-COOK: We have three items for Affirmation. The first is the U.S. Department of Energy High Level Waste Repository Pre-Application Matters. The Commission is being asked to act on a Memorandum and Order responding to an appeal by the State of Nevada of the Pre-Application Presiding Officer Board's denial of Nevada's motion to strike the Department of Energy's initial Licensing Support Network certification, and a motion by the State of Nevada to file a reply brief in connection with this appeal. The Commission has voted to approve a Memorandum and Order which affirms the Pre-Application Presiding Officer Board's decision in LBP-08-01 denying Nevada's motion to strike Department of Energy's initial Licensing Support Network certification and denying Nevada's motion to file a limited reply brief. Commissioner Jaczko offered additional views on this order. Would you please affirm your votes?

CHAIRMAN KLEIN: Aye.

COMMISSIONER JACZKO: Aye.

COMMISSIONER LYONS: Aye.

COMMISSIONER SVINICKI: Aye.

MS. VIETTI-COOK: The second item is on AmerGen Energy Company License Renewal for Oyster Creek Nuclear Generating Station. The Commission is being asked to act on a Memorandum and Order responding to the Intervenor's motion that the Commission stay the adjudicatory proceeding and that the Staff's issuance of a renewed license pending resolution of the pending metal fatigue issue, and the Second Circuit's review of the Commission's decision on a rulemaking petition declining to expand the scope of license renewal review. The Commission has voted to approve a Memorandum and Order which denies the motion. Would you please affirm your votes?

CHAIRMAN KLEIN: Aye.

COMMISSIONER JACZKO: Aye.

COMMISSIONER LYONS: Aye.

COMMISSIONER SVINICKI: Aye.

MS. VIETTI-COOK: The third and last item is U.S. Department of Energy High-Level Waste Repository Pre-Application Matters Advisory Pre-Application Presiding Officer Board. The Commission is being asked to respond to the request of the Advisory Pre-License Application Presiding Officer Board for additional authority from the Commission to issue binding case management orders, rather than serving solely in an advisory capacity on these matters. The Commission has voted to approve a Memorandum and Order which authorizes the Advisory Pre-Application Presiding Officer Board to issue binding case management orders for specified purposes. Would you please affirm your votes?

CHAIRMAN KLEIN: Aye.

COMMISSIONER JACZKO: Aye.

COMMISSIONER LYONS: Aye.

COMMISSIONER SVINICKI: Aye.

MS. VIETTI-COOK: That's all I have.

CHAIRMAN KLEIN: Any comments? Meeting's adjourned.
