The Honorable Russell D. Feingold
United States Senate
Washington, D.C. 20510

Dear Senator Feingold:

As required by Title VIII, Subtitle C, Sec. 8306, of the U.S. Troop Readiness Veterans' Care, Katrina Recovery, and Iraq Accountability Appropriations Act of 2007 (Public Law 110-28), I am informing you that for fiscal year 2009, the U.S. Nuclear Regulatory Commission (NRC) purchased articles, materials, and supplies valued at \$211,346,149.00. The NRC did not directly purchase any articles, materials, or supplies manufactured outside the United States. Some NRC purchases were made through contracts awarded by other agencies, such as General Services Administration Supply Schedules. However, the NRC does not maintain data on the sources of articles, materials, or supplies in contracts awarded by other agencies.

The NRC looks forward to continuing its support of the Buy American program.

Sincerely,

/RA/

Gregory B. Jaczko
