The Honorable Edward J. Markey
United States House of Representatives
Washington, D.C. 20515

Dear Congressman Markey:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I am enclosing two CDs containing reference documents for the medical event records that were provided to you on November 21, 2010, in response to your letter of October 26, 2010.

One of the CDs contains NRC documents relating to the events, and the other has documents provided by Agreement States on the 48 medical events identified by your staff on March 11, 2011. Please note that Pennsylvania chose not to release the reference documents for one event (NMED Item# 090653) that did not meet the NRC's reporting requirements. Also, Florida did not release one document (FL05-060) but provided the updated version of the document as a reference (FL05-060A).

If you have additional questions, please contact me or Ms. Rebecca Schmidt, Director, Office of Congressional Affairs, at 301-415-1776.

Sincerely,

/RA/

Gregory B. Jaczko
