

The following Security Advisory (SA) is not available because it is marked "Official Use Only – Security-Related Information" and is exempted from public disclosure in accordance with 10 CFR 2.390.

SA-04-06, "National Special Security Event For President Reagan Funeral Events In The Washington, DC Area" dated June 7, 2004

In 2004, DHS had designated the President Reagan funeral events in the Washington, DC Area as a National Special Security Event (NSSE). Therefore, the NRC recommended that selected NRC Research and Test Reactor (RTR) licensees maintain heightened vigilance for potential security threats.

The Nuclear Regulatory Commission (NRC) has issued SA-04-06 to selected research and test reactors. Note that the security advisory contains physical security information and is, therefore, being withheld from public disclosure in accordance with 10 CFR 2.390.
