

The following Security Advisory (SA) is not available because it is marked "Official Use Only – Security-Related Information" and is exempted from public disclosure in accordance with 10 CFR 2.390.

SA-04-16, "National Special Security Event For The Presidential Inauguration In The Washington, DC, Area" dated December 14, 2004

In 2004, DHS had designated the Presidential Inauguration as a National Special Security Event (NSSE). Therefore, the NRC recommended that selected Operating Power Reactor licensees maintain heightened vigilance for potential security threats.

The Nuclear regulatory commission (NRC) has issued SA-04-16 to selected research and test reactors. Note that the security advisory contains physical security information and is, therefore, being withheld from public disclosure in accordance with 10 CFR 2.390.
