

The following Security Advisory (SA) is not available because it is marked "Official Use Only – Security-Related Information" and is exempted from public disclosure in accordance with 10 CFR 2.390.

SA-08-09, "National Special Security Event At Minneapolis-Saint Paul, Minnesota" dated August 6, 2008

In 2008, DHS had designated an event in Minneapolis-Saint Paul, Minnesota a National Special Security Event (NSSE). Therefore, the NRC recommended that selected NRC nuclear power plants maintain heightened vigilance for potential security threats.

The Nuclear regulatory commission (NRC) has issued SA-08-09 to selected operating and decommissioning power reactor licensees. Note that the security advisory contains physical security information and is, therefore, being withheld from public disclosure in accordance with 10 CFR 2.390.
