

The following Security Advisory (SA) is not available because it is marked "Official Use Only – Security-Related Information" and is exempted from public disclosure in accordance with 10 CFR 2.390.

SA-2009-02, "NATIONAL SPECIAL SECURITY EVENT FOR THE PRESIDENTIAL ADDRESS TO A JOINT SESSION OF CONGRESS" dated February 20, 2009

In 2009, DHS had designated the 2009 Presidential Address to a joint session of Congress held on February 24, 2009 as a National Special Security Events (NSSEs). Therefore, the NRC recommended that selected NRC and Agreement State licensees who may possess radioactive materials maintain heightened vigilance for potential security threats.

The Nuclear Regulatory Commission (NRC) has issued SA-2009-02 to certain large materials licensees (NRC AND Agreement State) who possess, use, ship or receive high-risk radioactive materials. Note that the Security Advisory contains physical security information and is, therefore, being withheld from public disclosure in accordance with 10 CFR 2.390.
