

The following Security Advisory (SA) is not available because it is marked "Official Use Only – Security-Related Information" and is exempted from public disclosure in accordance with 10 CFR 2.390.

SA-2010-06, "NATIONAL SPECIAL SECURITY EVENT FOR THE 2010 NUCLEAR SECURITY SUMMIT TO BE HELD IN WASHINGTON D.C."

The Department of Homeland Security designated the 2010 Nuclear Security Summit, April 12-13, 2010, as a National Special Security Event. Therefore, the Nuclear Regulatory Commission (NRC) recommended that selected NRC and Agreement State licensees who may possess radioactive materials maintain heightened vigilance for potential security threats.

The NRC issued SA-2010-06 to licensees (NRC and Agreement State) who possess, use, ship, or receive radioactive materials equal to or exceeding the transportation quantities of concern. Note, the SA contains physical security information and is, therefore, being withheld from public disclosure in accordance with 10 CFR 2.390.
