

The following Security Advisory (SA) is not publically available, as it is marked, "Official Use Only – Security-Related Information," and is exempt from public disclosure in accordance with the U.S. Nuclear Regulatory Commission (NRC) Sensitive Unclassified Non-Safeguards Information (SUNSI) Handling Requirements.

SA-2016-05, "National Special Security Event for the 2016 Nuclear Security Summit."

The NRC has issued SA 2016-05 on March 15, 2016, to all affected licensees (NRC and Agreement State) who possess, use, ship, or receive risk significant radioactive materials including radioactive materials equal to or exceeding the transportation quantities of concern in the Washington, D.C., area. Note that the security advisory contains physical security information and is, therefore, being withheld from public disclosure in accordance with the NRC SUNSI Handling Requirements.
