

On February 13, 2017, the U.S. Nuclear Regulatory Commission (NRC) issued Security Advisory (SA) 2017-04, "National Special Security Event for the Presidential Address to a Joint Session of Congress," to all affected Non-Power Reactor licensees in the Washington, DC, area. Note that the SA contains physical security information and is designated "Official Use Only – Security-Related Information." Therefore, the referenced SA is being withheld from public disclosure in accordance with NRC Sensitive Unclassified Non-Safeguards Information (SUNSI) handling requirements.
