

The following Security Advisory (SA) is not publicly available because it is designated "Official Use Only – Security-Related Information," which is exempt from public disclosure in accordance with the U.S. Nuclear Regulatory Commission's (NRC's) Sensitive Unclassified Non-Safeguards Information (SUNSI) handling requirements.

SA 2022-03, "National Special Security Event for the 2022 Presidential State of the Union Address" event.

The NRC has issued SA 2022-03 on February 7, 2022, to all affected Operating Power Reactor and Independent Spent Fuel Storage Installation licensees in the Washington, DC, area. Note that the SA contains physical security information and is, therefore, being withheld from public disclosure in accordance with NRC Sensitive Unclassified Non-Safeguards Information (SUNSI) handling requirements.
