LOCAL PUBLIC DOCUMENT ROOM FOR THREE MILE ISLAND AND PEACH BOTTOM NUCLEAR PLANTS IS REOPENED

The entire section of the Harrisburg branch of the Pennsylvania State library housing the Nuclear Regulatory Commission's local public document room for the Three Mile Island and Peach Bottom nuclear power plants has now been reopened to the public. A project to remove lead from the building led to the temporary closure. The work began last fall.

Requests for records also may be addressed to the NRC's Public Document Room (PDR), 2120 L Street NW, Lower Level, Washington, D.C., 20555-0001, or by calling the PDR at (800) 397-4209.
