TRAINING: No special training is required for documents issued with this Change Notice.

REMARKS: IP 71153, "Follow-up of Events and Notices of Enforcement Discretion." Edited IP as part of ADVANCE Act Section 507 actions to clarify that items do not need to be re-inspected for LER closeout. Revised all samples to "zero" since the samples are performed as required. Reduced inspection hours. Addressed FBF 71153-2529 to modify notes in Sections 03.02.b and 03.05 to be more generic. Researched commitments for 4 years and found none. This completes the 5-year review.
