Linda Yee

Ms. Yee currently serves as Budget and Policy Advisor to Chairman Ho K. Nieh. She joined the U.S. Nuclear Regulatory Commission (NRC) in 2010 as a Technical Assistance Project Manager in the Office of Nuclear Reactor Regulation. In 2013, she served as a Senior Budget Analyst in the Office of the Chief Financial Officer (OCFO), where she led the formulation of the agency's Congressional Budget Justifications and Office of Management and Budget submissions, and spearheaded implementation of the financial framework under the Nuclear Energy Innovation and Modernization Act of 2019. In 2020, she became Branch Chief of the Central Allowance Branch within OCFO overseeing agencywide budget execution and financial policy. In recognition of her contributions, Ms. Yee received the NRC's Meritorious Award in 2021.

Prior to joining Chairman Nieh's office, Ms. Yee served as Deputy Budget Director, leading efforts under the Accelerating Development of Versatile, Advanced Nuclear for Clean Energy Act of 2024 and Executive Order 14300 to drive financial modernization, strengthen fiscal stewardship, and support regulatory reform.
