

Tables

This section contains the tables relevant to NUREG-0933.

Table II of NUREG-0933 presents a list of all resolved generic issues (GI) and the partial assessments of all remaining unresolved GIs.

Table III of NUREG-0933 summarizes and tabulates by group the results of the resolution of all issues contained in this report. GIs identified since the previous publication of NUREG-0933 are identified in the quarterly Generic Issue Management Control System (GIMCS) reports.

Table IV of NUREG-0933 shows all Analysis and Evaluation of Operational Data (AEOD) reports that have been addressed either as completely new safety issues or as part of existing safety issues.

Table V of NUREG-0933 shows the consolidation of those issues whose technical concerns were found to be addressed either partially or completely in other (major issues).
